1.Preamble

This deliverable started at the project beginning and it is updated according to needs throughout the whole project duration. This interim report is to be published in M18. The dissemination task is described as:

- Task 7.1: Dissemination
 - Dissemination will not only be accomplished for results but also for ongoing developments and events to have a rich exchange with the project environment. The dissemination activities will be described within the Dissemination Plan.

2.Introduction

Purpose of this deliverable

This deliverable presents the dissemination activities undertaken by the HELASCOL consortium in research, healthcare, governmental, and business forums in order to publicize, promote and out roll the HELASCOL service across Europe.
