Executive Summary

In this prototype we present the conceptual design for the Web prototype for Bank4Elder project.

User and interface requirements which were previously collected and described in WP2 reports, as well as the results from the innovation session carried out in Valencia in which all Bank4Elder partners participated have been taken into account to develop the conceptual design we present here.

An icon style guide provided by VectorSF to all partners has also been taken into account to develop this conceptual design. The web conceptual design has been developed as an interactive prototype which collects the main functionality and interaction issues of this interface. In this document both interaction and visual designs concepts have been included.

Customize My Bank4Elder

New Page 1

1.1 Home

1. Using friendly language for the secure identification
2. Contrast and text size configuration options has been provided to improve the accessibility
3. Telephone support, ATM and Branch locations are always provided to the user in header. The objective is that, in case of emergency (or whenever they wish to), they could easily contact to the bank. Thus our aim would be to eliminate from users the fear to make mistakes, as they stated when the user requirements were gathered
4. The main screen to access the system (sign in screen) has been designed as simple as possible in order to get an usable interface, avoiding user distractions.

1.1.1 User Interface

The screenshot shows the homepage of the Bank4Elder online banking system. At the top, there is a header bar with a logo, a phone number (900 00 00 00), links for Customer attendance, Branch and ATM locations, Security, Contact us, and Language (set to English). Below the header is a welcome message: "Welcome to Bank4Elder online banking". To the right of the welcome message are buttons for Resize text and Change contrast. The main content area is titled "Sign in to My Bank4Elder:" and contains a sign-in form. The form includes a "Username" input field (labeled 1), a question "What is your user name?" (labeled 1), a "Secure code" input field (labeled 2), a question "What is your secure code?" (labeled 2), a "Sign in" button (labeled 3), and a link "Press here if you need online help with your username or password" (labeled 5). Below the sign-in form is a telephone icon and the text "For telephone assistance call to this number: (+34) 900 00 00 00". To the right of the sign-in form is a sidebar with an illustration of a person using a computer and the text "Bank4Elder: Your easy and secure online banking". It also contains a paragraph about the service and a "Learn more..." button (labeled 6). At the bottom of the page are links for Security, Terms of Use, Legal Agreements and Disclosures, and a copyright notice: "© 2012 Bank4Elder".

1.3 My Bank4Elder

1. Including a widget approach in the main screen makes the information accessible at the first sight. The main problem in this approach could be that too many information would be displayed at the same time, causing confusion to the users. Then, the solution could be to reduce the number of widgets in the main screen (for example using only two widgets) for the "low tech profiles".
2. The widgets contained in the main page can be personalized and users could select the most frequent operatives widgets to be included in the main screen. Thus a customize option has been included to personalize the user interface in the main screen.
3. Tabs have been added to provide a direct access to the most frequent operatives. Thus, apart from the widgets approach, the users could interact with the web interface in the same way as in other web interfaces
4. According to the functional requirements for high tech profiles, the transfer option has been included. This tab menu is intended to be used by user with high tech profile, as the low tech profile most probably would check their balance or their account activity in the main screen using the widgets approach.
5. A change view icon has been provided in order the user could select a more visual information in the widget view.
6. Representative icons should be included to describe the banking operatives with the aim that users understand better the operatives they are going to perform.
7. Visible fonts, tables and clear and direct language has been used to improve the usability of the interface.
8. Step by step menus has been included to make easier the interaction for the users
9. Information about the last access to the system in order to improve the user security perception.
10. Personalized message
11. Help is provided to the user by means of telephone information, a personal assistant and also contextual help associated to each operative. These two options would be accessible throughout the whole interaction. Thus we try to cover the emotional aspect required by the low tech profile.
12. Configurable issues (text size and contrast) to improve the web accessibility

1.3.1 User Interface

The screenshot displays the BANK4ELDER user interface with several numbered callouts pointing to specific UI elements:

- Top Bar:**
 - Logo (11)
 - Customer attendance (900 00 00 00) | Email us | Language: English (18)
 - Resize text (16) | Change contrast (17)
 - Welcome John Smith | View my profile (10)
 - Today is Tuesday, May 28, 2012. You were here last Sunday (9)
 - Sign out (12)
- Main Navigation:**
 - You are here: My Bank4Elder (1)
 - My Bank4Elder (22)
 - Balance (3)
 - Accounts Activity (3)
 - Bank Statements (3)
 - Transfer Funds (4)
 - Customize My Bank4Elder (2)
 - Ask to my personal advisor (4)
- Balance Section:**
 - Balance icon (5)
 - Monthly balance: + 1.500,00 Euros (6)
 - You have +7.500,00 Euros distributed in 3 accounts (7)
 - Table of account distribution:

Home	+ 1.500,00 Euros
Payments	+ 500,00 Euros
Savings	+ 2.500,00 Euros
 - View detailed balance (15)
- Recent Activity Section:**
 - Recent activity icon (5)
 - Recent activity table:

May, the 22nd	Retirement	+ 1.250,00 Euros
May, the 21st	Transfer	+ 300,00 Euros
 - Incomings (6)
 - Payments (6)
 - View more activity (16)
- Bank Statement Section:**
 - Bank Statement icon (5)
 - This is your current account statement from 1st April 2012 to 1 May 2012 (8)
 - Select your account: "Home" - Account number 23 1233 123 (8)
 - "Home"- Account Summary:

Balance at 1 April:	1300,00 euros
Total money in:	500,00 euros
Total money out:	300,00 euros
Balance at 1 May:	1500,00 euros
 - Press here to view incomings and outcomes (7)
 - View other statements (17)
- Express Transfer Section:**
 - Express Transfer icon (5)
 - Follow these three steps to transfer money:
 - Enter details (8)
 - Confirm details (2)
 - Get receipt (3)
 - Amount: (9)
 - From: "Home" - Account number 23 1233 123 (9)
 - To: "Savings"- Account number: 23 3456 123 (9)
 - Transfer Now (23)
 - View more transfer options (23)

1.6 Accounts Activity_spendingReport

1. We have included graphics and visual information in order users could understand the information better at a first sight.
2. We have used tags easy to understand for the users with the aim they could understand better where their money has been spent.
3. Easy to read and concise summaries have been provided
4. An alternative view has been included in case the user would prefer viewing the information in the traditional table format.

1.7 AccountsAct_spendingReport_tableview

1.7.1 User Interface

The screenshot shows the 'Accounts Activity' section of the Bank4Elder website. At the top, there's a header with a logo, contact information (900 00 00 00), language selection (English), and a sign-out button. Below the header, a welcome message for 'John Smith' is displayed, along with the date 'Tuesday, May 28, 2012'. A navigation bar below the header includes links for 'My Bank4Elder' (2), 'Balance' (3), 'Accounts Activity' (4), 'Bank Statements' (5), and 'Transfer Funds' (6). To the right of the navigation bar are buttons for 'Back to My Bank4Elder' (7) and 'Ask to my personal advisor' (11). A 'Go back' button (14) is located at the bottom right of the main content area.

1.8 AccountsAct_spendReport-Selectaccount

1. An easy step-by-step procedure to select the account has been provided in order to improve the usability of this task

1.8.1 User Interface

The screenshot shows the 'Accounts Activity' section of the Bank4Elder website. At the top, there is a navigation bar with a logo, contact information (900 00 00 00), language settings (English), and a sign-out button. Below the navigation is a welcome message for John Smith, indicating it's Tuesday, May 28, 2012.

The main content area shows a breadcrumb trail: 'My Bank4Elder' → 'Accounts Activity'. There are several buttons along the trail: 'My Bank4Elder' (2), 'Balance' (3), 'Accounts Activity' (4), 'Bank Statements' (5), and 'Transfer Funds' (6). To the right of these buttons are two links: 'Back to My Bank4Elder' (7) and 'Ask to my personal advisor' (1).

The 'Accounts Activity' section title is underlined. Below it, a message says 'This is the spending report for your Account:' followed by a step-by-step guide:

- 1 Select account:** "Home" - Account number 23 1233 123 (dropdown menu)
- 2 Press button:** OK (button)

A blue callout bubble points to the 'OK' button with the number 1. A red 'X' icon is also present in the top right corner of the guide box.

To the right of the guide is a 'Related Services' sidebar with links: 'Request statements copies', 'Open a savings account', and 'Read our FAQ (frequently asked questions)'.

The main content area contains a 'Summary' box with financial data:

Summary:	
Balance at 1 April:	1300,00
Total money in:	500,00
Total money out:	300,00
Balance at 1 May:	1500,00

Below the summary is a pie chart titled 'Money out April 2012' showing the distribution of spending across categories: Food (11), Bills (13), and Travel (15). Buttons for 'Change to table view', 'Save', and 'Print' are located below the chart.

On the right, another pie chart titled 'Money out 12-Month Average' shows a broader breakdown: Food (17), Bills (21), and House Rental (19). Buttons for 'Save' and 'Print' are located below this chart as well.

At the bottom of the page, there are links for 'Security', 'Terms of Use', and 'Legal Agreements and Disclosures', along with a copyright notice: '© 2012 Bank4Elder'.

1.10 Accounts Activity_search options

1. For searching specific transaction we have included big familiar icons for searching (a magnifying glass) and we have also visually grouped the filtering options using a balloon with the aim that the searching function would be well understood.
2. Contextual help has been provided in each filtering option to clarify its functionality

1.10.1 User Interface

The screenshot shows the 'Accounts Activity' section of the Bank4Elder interface. At the top, there's a header bar with a logo, customer attendance information (900 00 00 00), language settings (English), and a sign-out button. Below the header, a navigation bar includes 'My Bank4Elder' (3), 'Balance' (4), 'Accounts Activity' (5), 'Bank Statements' (6), and 'Transfer Funds' (7). A breadcrumb trail indicates the user is at 'My Bank4Elder > Accounts Activity'. To the right are buttons for 'Back to My Bank4Elder' (9) and 'Ask to my personal advisor' (10).

The main content area is titled 'Accounts Activity' (11). It displays a spending report for the account 'Home' with number 12345569900. The report includes search filters for Date (2), Amount (2), Transaction (2), and Description (2), and a 'Search transactions' button (12). To the right, there are two sections: 'Search transactions' (13) with a search icon (14) and 'Spending report' (15) with a bar chart icon (16). The spending report table lists transactions from April 3rd to May 1st, 2012, with columns for Date, Description, Money out, Money in, and Balance.

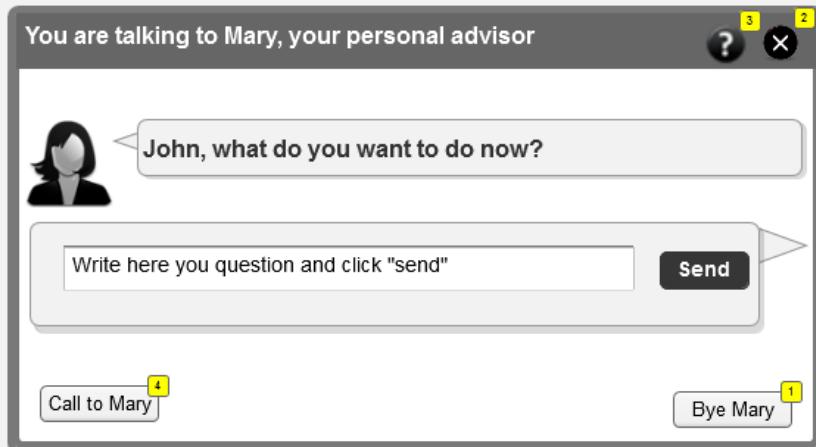

Date	Description	Money out	Money in	Balance
1 May	Mobile phone bill	24,50 €	-	+ 2.825, 50 €
29 April	Home Insurance	200,00 €	-	+ 2.850, 50 €
25 April	Retirement Payment	-	1.000,00 €	+ 3.050, 50 €
19 April	Transfer to Dan	500,00 €	-	+ 2.050, 50 €
18 April	Payment in shop	30,00 €	-	+ 2.550, 50 €
9 April	Cash withdrawal	20,00 €	-	+ 2.580, 50 €
3 April	Cash withdrawal	25,00 €	-	+ 2.600, 50 €
9 April	Transfer from Mary	-	125,00 €	+ 2.625, 50 €
3 April	Retirement Payment	-	1.000,00 €	+ 2.500, 50 €
9 April	Payment in shop	50,00 €	-	+ 1.500, 50 €

At the bottom, there are navigation arrows for the page (17), a save button (18), and a print button (19). The footer contains links for Security, Terms of Use, Legal Agreements and Disclosures, and the copyright notice © 2012 Bank4Elder.

1.12 Transfers

1. Both headlines to indicate where the user is and explanations using simple language to describe what the user can do in transferences have been provided to improve the usability.
2. Help and accessibility options are always present during the whole interaction with the system.
3. Contextual help is provided to explain each transfer type.
4. Icons which represents properly the type of transference that is being described should be included

1.12.1 User Interface

Welcome John Smith | [View my profile](#)
Today is Tuesday, May 28, 2012. You were here last Sunday

You are here: [My Bank4Elder](#) ▶ Transfer funds

Back to My Bank4Elder 13 Ask to my personal advisor 1

My Bank4Elder 2 Balance 3 Accounts Activity 4 Bank Statements 5 Transfer funds 11

16 Go back 14

Transfer funds

Please, select the kind of transfer you want to make.

Regular Transfer 1 3 4 7

Choose this option to transfer funds from your B4E account to an account belonging to another bank. You should also select this option to pay bills.

[Click here to select this transfer](#) 6

Transfer funds between your own accounts 1 3 4 5

You should select this option if you want to transfer funds between your B4E accounts. In this case both the transfer payer and beneficiary would be yourself, then the transfer procedure will be quicker.

[Click here to select this transfer](#)

Transfer funds to foreign accounts 1 3 4 9

Select this option if you want to make a transfer to a foreign bank account. You should provide the IBAN (International Bank Account Number) account code.

[Click here to select this transfer](#)

Transfer Management 1 3 4 10

Here you can see and manage your express transfers. You can also see, add and modify your automatic transfers.

[Click here to manage automatic transfers](#) 8

1.13.1 User Interface

The screenshot shows the Bank4Elder user interface for transferring funds outside the bank. At the top, there is a logo, contact information (900 00 00 00), language settings (English), and a sign-out button. Below the header, a welcome message for John Smith is displayed, along with a timestamp (Tuesday, May 28, 2012). A navigation bar at the top includes links for 'My Bank4Elder' (2), 'Balance' (3), 'Accounts Activity' (4), 'Bank Statements' (5), and 'Transfer funds' (15). The 'Transfer funds' link is highlighted with a yellow box and a number 15. Below the navigation bar, a breadcrumb trail shows the current location: 'My Bank4Elder' → 'Transfer funds' → 'Transfer funds outside the bank'. To the right of the breadcrumb are buttons for 'Back to My Bank4Elder' (17) and 'Ask to my personal advisor' (1). A 'Go back' button (6) is located at the bottom left of the main content area.

Transfer funds outside the bank

1 Enter transfer details 2 Confirm details 3 Transaction receipt

To carry out a transfer you should enter the transfer details following these three steps:

- 1 Enter ordering details (Required)
- 2 Enter beneficiary details (Required)
- 3 Send confirmation notice (Optional)

1 Ordering details

From account (Required field): Balance: + 1.500,00 Euros
Home | 0000 1111 22 1234567890 | + 1.500,00 €

Payer name (Required field):

Transfer amount (Required field): Euros

Observations:

2 Beneficiary details

Beneficiary account (Required field):

Beneficiary name (Required field):

Country of residence (Required field): Select country

Address:

Town:

3 Transfer confirmation notice (Optional)

You can notify the transaction to the beneficiary using an SMS, an e-mail or both.

1.14.1 User Interface

The wireframe illustrates the user interface for transferring funds outside the bank. It features a header with a logo, customer attendance, email, language selection, and sign-out options. A navigation bar at the top includes 'My Bank4Elder', 'Balance', 'Accounts Activity', 'Bank Statements', 'Transfer funds', and links for 'Back to My Bank4Elder', 'Ask to my personal advisor', and 'Go back'. The main content area shows a flow from 'Enter transfer details' to 'Confirm details' to 'Transaction receipt'. A callout box highlights the 'Confirm details' step, which includes instructions to 'Confirm that the data entered are correct' and 'Enter the security code'. The 'Confirm details' section is divided into three panels: 'Ordering details', 'Beneficiary details', and 'Transfer confirmation notice'. Each panel contains fields for account information, beneficiary details, and a 'Change data' button. Below these panels is a section for 'Security coordinates' with a grid of numbers and asterisks. At the bottom are 'Go back', 'Cancel', and 'Continue' buttons, along with a footer containing links to Security, Terms of Use, Legal Agreements, and Disclosures.

1.15 Transfer outside bank 3

OnPageLoad:

Case 1:

 Hide tooltip_continue,
 tooltip_goBack_bottom

1.15.1 User Interface

The screenshot shows the BANK4ELDER user interface for transferring funds outside the bank. The top navigation bar includes a logo, customer attendance (900 00 00 00), email, language (English), resize text, change contrast, sign out, and a power button. Below the navigation is a breadcrumb trail: My Bank4Elder > Transfer funds > Transfer funds outside the bank. There are also links for Back to My Bank4Elder, Ask to my personal advisor, and Go back.

The main content area displays a progress bar with three steps: 1 Enter transfer details, 2 Confirm details, and 3 Transaction receipt. Step 1 is highlighted. A message box states: "Here you can see the result of your transaction" with a checkmark and the text "Your transfer has been successfully completed".

Below the message are three panels: Ordering details, Beneficiary details, and Transfer confirmation notice. The Ordering details panel contains fields for From account (Name: Home, Number: 0000 1111 00 1234567890, Balance: + 1.500,00 Euros), Payer name (John Smith), Transfer amount (750,00 Euros), and Observations (House rent). The Beneficiary details panel contains fields for Beneficiary account (0000 1111 00 1234567890), Beneficiary name (Frank Stevens), Country of residence (Spain), Address (Paseo de la Castellana 200), and Town (Madrid). The Transfer confirmation notice panel contains fields for Email (frank_stevens@gmail.com) and SMS (600 000 000).

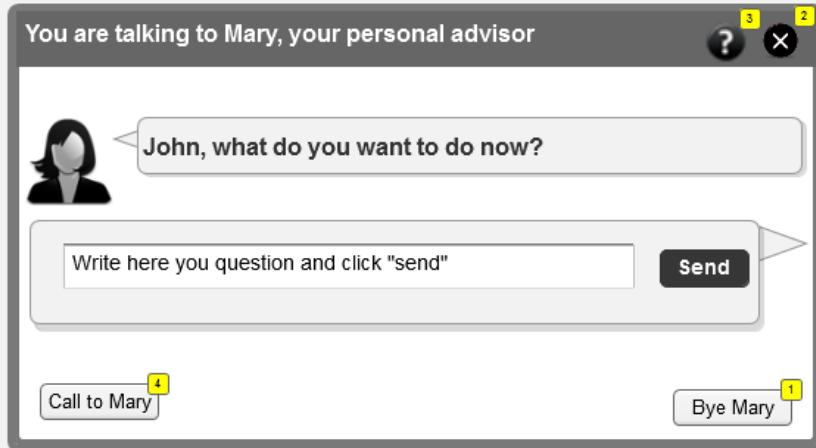

A "Transaction receipt" section allows printing or downloading the receipt in PDF format. Buttons for "Print receipt" and "Download receipt" are shown. At the bottom, there are links for "Go to My Bank4Elder" and "Make another transfer". The footer includes links for Security, Terms of Use, Legal Agreements and Disclosures, and the copyright notice "© 2012 Bank4Elder".

1.18 Customize My Bank4Elder

1. Providing information to guide the user during the interaction using easy language
2. Contextual help giving information regarding each widget functionality is provided
3. We have decided to include carousel instead of using traditional menus with the aim to improve the aesthetic and intuitiveness of the interface by boosting the visual design.
4. A menu with graphic information has been included.
5. Breadcrumb information has been included in order users know better where they are.

1.18.1 User Interface

The wireframe illustrates the customization interface for the Bank4Elder main screen. At the top, there is a header bar with a logo, customer attendance information (900 00 00 00), email and language options (English), and a sign-out button. Below the header, a welcome message for John Smith is displayed, along with a note that it's Tuesday, May 28, 2012. A navigation bar shows the user is at 'My Bank4Elder' and provides links to 'Customize My Bank4Elder' (marked with a blue circle 5) and 'Back to My Bank4Elder' (marked with a yellow circle 10). It also includes an 'Ask to my personal advisor' button (marked with a yellow circle 8).

The main content area is titled 'Here you can choose the content you want to see in your Bank4Elder main screen'. It features four windows for selecting content:

- First window:** 'Select the content for the **first** window:' contains a 'Statements' item with a question mark icon (marked with a blue circle 2) and a 'Click here to select this item' button. A sidebar lists 'cent activity' and 'market'.
- Second window:** 'Select the content for the **second** window:' contains a 'Statements' item with a question mark icon (marked with a blue circle 1) and a 'Click here to select this item' button. A sidebar lists 'cent activity' and 'market'.
- Third window:** 'Select the content for the **third** window:' contains a 'Statements' item with a question mark icon (marked with a blue circle 3) and a 'Click here to select this item' button. A sidebar lists 'cent activity' and 'market'. A green checkmark icon is shown next to the 'Item selected' button.
- Fourth window:** 'Select the content for the **fourth** window:' contains a 'Statements' item with a question mark icon (marked with a blue circle 1) and a 'Click here to select this item' button. A sidebar lists 'cent activity' and 'market'.

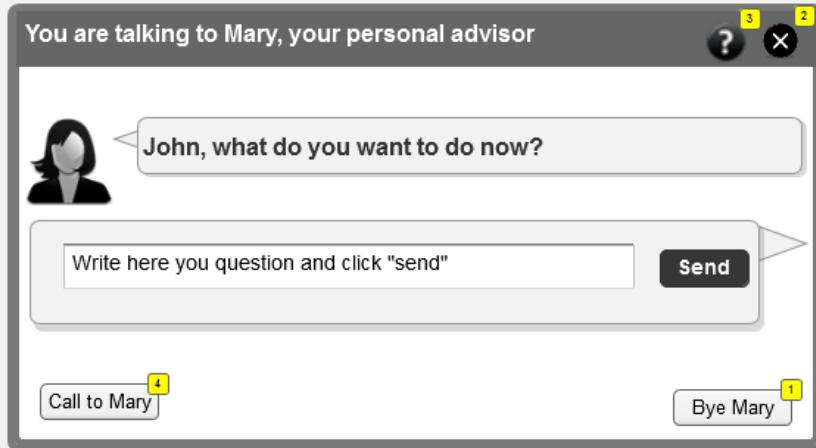

At the bottom of the page, there are links to Security, Terms of Use, Legal Agreements and Disclosures, and a copyright notice for © 2012 Bank4Elder.
