Dissemination Level		
PU	Public	
PP	Restricted to other program participants (including Commission Services)	
RE	Restricted to a group specified by the consortium (including Commission Services)	x
CO	Confidential, only for members of the consortium (including Commission Services)	

This document aims at developing the prototype for two Third Parties services integrated into the HEREiAM platform:

- **An Android application for the shopping service provided by the Mercato di San Benedetto shop in Italy**

This prototype allows the HEREiAM older adults in Cagliari (IT) to visualize and order the products of Mercato di San Benedetto through the HEREiAM system. The prototype is described in section 4.1.4.1 of deliverable D2.5 and in section 1.4 of deliverable D3.1a. The Shopping.apk file is available for installation on the Android TV box and it is downloadable by Consortium members from a shared folder on Dropbox.

- **An Android application for the health coaching service provided by Remedus in Belgium**

This prototype allows the HEREiAM older adults in Belgium to track nutrition and medication intake through the HEREiAM system. The prototype is described in section 4.1.1.1 of deliverable D2.5 and in section 2.4 of deliverable D3.1a. The RemeCoach.apk file is available for installation on the Android TV box and it is downloadable by Consortium members from a shared folder on Dropbox.
